Salon/Helm Station

The salon features an L-settee on the starboard side with blue ultrasuede fabric. Each section of this settee is hinged in order to make it very easy to access the abundant storage below. Just forward of the L-settee is the bar featuring a U-line icemaker and glass and bottle storage. Mounted on the aft part of the lid of the bar cabinet is a flat screen LCD TV with Raymarine Sat TC system. On the port side of the salon there are two teak chairs fore and aft with an entertainment center in the center between the chairs. Forward of the bar is the lower helm station which features a custom sliding helm chair which allows easy access out the starboard door. This steering station features complete gauges for each engine - the 12v and 110v electrical panels and lower station electronics.

Lower Station Electronics:

- Raytheon RL80C Pathfinder radar
- Raytheon Ray220 VHF/Hailer with remote microphone
- Raytheon ST60 Tridata
- Raytheon Chartplotter with new chips
- Surround sound system
- Globalstar Sat Phone

Galley

The galley is slightly down and to the port and features stacked stainless steel lined refrigerator boxes with Grunert holding plates. The freezer is located at the counter with a lift-up lid. The galley features a Princess 3-burner stove/oven, microwave oven, Corian countertop and numerous cabinets and drawers for storage. Opening ports and an open overhead create a light and airy atmosphere.

Staterooms

Master Stateroom

The master stateroom features a walk around island queen berth. Access doors and hatch to cockpit are located aft on the port side of the stateroom. On the starboard side counter is a flat screen Panasonic LCD TV. There is a large chart drawer on the port side of the berth. There are numerous drawers and lockers for storage throughout the cabin. Large full-height hanging locker spaces. Opening ports provide light and fresh air.

Master Head

The master head is located on the port side of the cabin and features a Vacuflush freshwater head, marbelite countertops and lots of storage for personal items. The separate stall shower is located on the starboard side of the stateroom.

Guest Stateroom

The guest stateroom is located forward and features a huge V-berth with removable filler pieces. There are numerous drawers for storage located beneath the berth. There is additional storage underneath the berth as well. The cabin has a full height hanging locker, stainless steel opening ports and hatch above which provide light and fresh air.

Guest Head

The guest head is just aft of the guest stateroom on the starboard side. It features freshwater Vacuflush head, marbelite countertop, lots of storage and a separate stall shower.

Laundry Room

The laundry room is located aft of the guest stateroom on the starboard side. It features Whirlpool full size stackable washer and dryer.

Flybridge

The flybridge features an L-settee with teak table on the starboard side and storage below. Forward are fore and aft facing bench seats on the port and starboard with more storage below. A sliding cabinet on the port side offer additional storage space underneath the forward flybridge. All seat cushions are in very good condition.
