Builder: Viking Yachts	Engine Model: 2848LE401, 2x680hp
	Hull Material: Fiberglass

America II

Entering through the sliding aft doors you will see the craftsmanship that has gone into creating this yacht. Walking forward you will pass through the salon with seating on either side and an entertainment center to port. The well-appointed galley is neatly tucked to starboard and has a large utility room with a washer/dryer. To the portside of the galley is a stairway to the flybridge and the dining area. The Flybridge is a wonderful place to pilot the vessel or to relax after a long day of cruising. The three staterooms are forward. The Master Stateroom features an island queen-size berth, 2 hanging lockers and ensuite head with circular shower. The port Guest Stateroom features twin berths, TV/DVD combo and hanging locker. The starboard Guest Stateroom features twin berths, TV/DVD combo, hanging locker and private access to the Guest Head.
