MY Marlow accessories & parts

A. Men's Marlow Yacht Jacket

In a rare blend of nautical practicality and style, the Hampton Club jacket by Devon and Jones is in a word – perfect. Onboard or on the golf course, the soft but tough, micro-twill outer shell stops wind and resists moisture. Other details include double pockets, one zippered for security and one open for easy access. The rib-knit cuffs and waist-band ensure a snug and comfortable fit. Inside details include two pockets. The pockets, one zippered and the other with a velcro closure, keeps things where you put them. The signature stripped lining with polyester/nylon sleeve linings allows the jacket to slip over clothing easily, without binding. Available in sizes M, L, XL, 2XL
