

Marlow Prowler Open 375

Year:	2006	Price:	\$ 329,000
Make:	Marlow Prowler	Location:	Snead Island, FL, USA
Model:	Open 375	Engine Make:	Evinrude
Builder:	Marlow Yachts LTD	Engine Model:	E-TEC, 3x250hp
Designer:	Marlow Design Team	Hull Material:	Composite

Description

DEMO

Continuing the expansion of the Marlow Prowler series, Marlow Yachts introduced the next edition to the series, the Prowler Open 375. The Marlow Prowler Open 375 is manufactured alongside the acclaimed Marlow Explorer series of yachts at the Norseman Shipyard, located in Xiamen, China. Marlow Yachts are certified by ABS (American Bureau of Shipping), Lloyds Register and ISO 9011, a status enjoyed by less than a handful of pleasure powerboat manufacturers worldwide.

Although this Prowler is classified as the Open version, she sports a very comfortable interior arrangement tucked under the sleek foredeck. The cockpit features all the tools and toys to

allow any water sport activity from fishing to diving, including refrigerated fish box, with logically designed and arranged tackle center and storage. A carefully designed bait tank doubles as an outboard aquarium if preferred.

Measurements

Cruising Speed:	38 mph	Displacement:	12000 lb
Max Speed:	44 mph	Fuel Tanks Capacity:	410 gal
LOA:	37 ft 6 in	Fresh Water Tanks #:	50
Beam:	11 ft 8 in		
Min. Draft:	19 ft		
Max Draft:	2 ft 3 in		

Propulsion

Number of Engines:	3	Total Power:	750 hp
Primary Engines:	Outboard		
Engine Make:	Evinrude		
Engine Model:	E-TEC, 3x250hp		

Construction

The Prowler Open 375 is resin infused providing an extremely capable platform. Molded in two major molds with the superstructure tooling producing the entire deck, side decks, foredecks, aft deck, coaming, interior cockpit liner and deck, dash, cowl, window openings, doors, anchor lockers, cleat locations, fuel fills, etc., as a single unit countless seams are eliminated. Maintaining the design principle of the most technologically advanced, the Prowler Open 375 interior spaces are built using Nida Core Honeycomb, veneered to the highest standard resulting in a significant reduction in total weight. Polymar based honeycomb does not rot, peel or warp, ever, while offering unparalleled strength and zero maintenance.

- Vacuum bagged & modified epoxy resin infused fiberglass construction
- Hull structural grid, FRP molded & foam cored
- Carbon fiber, Kevlar & engineered fabrics in lamination schedule

Performance

The Prowler Open 375 delivers spectacular performance and a finer handling yacht cannot be found

Engines-Mechanical

- AGM batteries (4)
- Common drain system to eliminate holes in hull sides
- Fuel tank, fiberglass baffled with upper & lower automatic self closing valves for sight gauges
- Manual bilge pump
- Generator, Westerbeke 3.5kw
- Triple Etec Evinrude 250's

Electrical Systems

- AC/DC distribution panels, 12 volt, 110 volt
- Horn, electric
- Battery charger, automatic, 12 volt 50 amps
- Battery condition indicator
- Battery switch, disconnect
- Battery switch, emergency paralleling switch
- Courtesy lights, 12 volt
- Bilge pumps (3), automatic, 12 volt
- Bonding system
- Carbon monoxide detectors in sleeping areas
- Engine gauges and instrumentation
- Fresh water system, pressurized, 12 volt
- Helm outlet, 12 volt
- Holding tank discharge pump, 12 volt
- Navigation lights, 12 volt
- Outlets, galley, heads, GFCI
- Shore power inlet aft, 30 amp 120 volts/60 Hz
- Wiring, marine-grade tin-plated copper
- TV/phone inlet, aft
- Telephone outlets

Comfort & Convenience

- 20" LCD TV
- Air conditioning & reverse cycle
- Water tanks, stainless steel, polished 316L
- Stereo/CD player with speakers
- Tank gauges for fuel and water
- Water heater 12 gal, 120 volts
- Anchor roller platform, stainless steel, single stainless steel roller
- Deck non-skid, side & forward cabin house deck with molded non-skid
- Flagstaff holders, bow & stern
- Rubrail, heavy-duty 316L stainless steel
- Skylight hatches with screen and blinds in cabins
- Toe rail, teak

Aft Deck / Cockpit

- Built in live well system
- Refrigerated fishbox
- Matching non-refrigerated fishbox
- Custom tackle center
- Saltwater washdown
- Rod holders
- Transom shower with retractable hose, hot/cold supply

Helm Area

- Chart locker
- Companionway hatch
- Compass, Ritchie
- Electronic console, FRP with teak
- Electronic installation area, FRP and teak
- Custom hardtop composite
- Helm seat - two Stidd helm chairs
- Settee, L-shaped - closed cell foam cushions
- Custom rod and tackle storage center

- Steering wheel, S/S, teak covered custom
- Speakers, waterproof
- Raymarine E120 multi-function display with GPS, depth, radar
- Raymarine Ray54 VHF

Galley

- Steps, teak with non-skid
- Condiment locker
- Countertop, granite with backsplash guard
- Exhaust blower, 12 volt
- Faucet, single lever Grohe Infinity series
- Customer refrigerator/freezer
- Sink, stainless steel
- Microwave oven
- Range, electric - 2 burner European
- Locker

Owners Stateroom

- Berth, queen, centerline forward
- Two bureaus with drawers
- Hanging locker with lined cedar wood
- Mirror, with teak frame

Head/Showers:

- Exhaust blower, 12 volt
- Faucet, single lever Grohe Infinity
- Mirror, beveled with teak frame
- Stall Shower with drain pump, 12 volt
- Sink, porcelain built in granite counter top
- Toilet, Vacu Flush
- Toilet paper holder Grohe
- Towel rack, Grohe

Interior/Other

- Bulkheads, formica in selected areas
- Bulkheads, teak in selected areas
- Schwepper cabin doors with Schwepper Lock sets
- Cabinet furniture, teak faced
- Curtains, lined with stainless steel curtain rods
- Drawers, dovetailed, with stainless ball bearing drawer slides
- Headlining, soft faux leather
- Lights, cabin Denmark gold plated reading at berths
- Lockers, with lamp push positive locks
- Outlets, AC
- Portholes, stainless steel, CE approved with FG trim rings and screens
- Sole, access hatches
- Sole, teak & holly
- Steps with clear non-skip
- Hi-Lo table
