SEVEN C's is a broad shouldered flybridge yacht with a walkthrough windshield for easy access to the bow. Elevated dinette in full-beam salon provides space below for roomy mid stateroom with washer/dryer combo. The master stateroom has an island bed, with hanging lockers, a nice head with enclosed shower. The spacious bridge boasts an excellent helm position, with good sight line, wet bar, icemaker, and wraparound seating. A deep walk around forward creates very secure foredeck area. Note roomy cockpit with twin transom doors, foldaway rear seat, and molded bridge steps. With standard 420HP Cummins diesels, cruise at twenty knots and top off in the mid 20-s.

Accommodations

In the galley, luxurious handcrafted wood cabinetry discreetly conceals its contents while every desirable resource for preparing elegant dining and entertainment is at hand. The guest stateroom contains a full-size bed with innerspring mattress and matching linens. There's also a TV/VCR/radio, cedar-lined hanging locker and easy access to the guest head. The salon sofa is a great place to relax, whether for conversation or for dining at the movable dinette. The color TV/VCR/radio combo includes Clarion AM/FM digital cassette and single DC stereo with six-disc changer, amplifier and speakers. If more sleeping accommodations are needed, the sofa/dinette converts to a sleeper. The forward head has a VacuFlush toilet with fiberglass settee lid; vanity with Corian top and sink; storage and medicine cabinet; and a shower with seat, adjustable shower wand and circular acrylic door. The forward stateroom the full-size pedestal bed with innerspring mattress has its own sheets and coordinated spread. Hanging lockers with mirrored doors add to the feeling of spaciousness. A color TV/VCR/radio combo is built into the bulkhead. The 450 Express Bridge gives you more seating, more entertaining and more sleeping accommodations than you ever dreamed of. In fact, with two staterooms and two full heads, space abounds in this superbly designed 45-foot sport yacht. Twin Cummins engines take you to your destination quickly and smoothly. And three entertainment centers ensure a comfortable passage for everyone on board. The wraparound control station is the finest ever designed by Sea Ray. It's an ergonomic masterpiece that provides unparalleled ease of use and super visibility.
