

Grand Banks 46 Classic – Trawlynn

Year: 2001
Make: Grand Banks
Model: 46 Classic

Price: \$ 549,000
Location: St. Pete, FL,
United States
Engine Make: Caterpillar
Engine Model: 3126TA
Hull Material: Fiberglass

Trawlynn

A rare opportunity to purchase a 46' Grand Banks Classic with virtually every option a veteran cruiser would desire. Stabilizer, Bow Thruster, Inverter, Custom Hardtop, etc., along with a rigid updating and maintenance schedule, create this excellent buying opportunity for any prospective Grand Banks purchaser.

"TRAWLYNN" was built for a long time Grand Banks owner who knew exactly what he wanted in his third Grand Banks. She boasts one of the most livable interior layouts in any Grand Banks 46' Classic.

Max Bridge Clearance:	23 ft 5 in	Number of double berths:	1
		Number of Heads:	2

Propulsion

Engine #1

Engine Make:	Caterpillar	Hours:	1195
Engine Model:	3126TA	Power:	420 hp
Primary Engines:	Inboard		

Engine #2

Engine Make:	Caterpillar	Hours:	1195
Engine Model:	3126TA	Power:	420 hp

Vessel Walkthrough

"TRAWLYNN" features a very desirable 3 stateroom galley up layout. The original owner custom ordered a U-shaped galley similar to the Europa styling. The galley area has been moved slightly forward into the guest stateroom which allows for a more usable galley, but does not compromise the salon or guest stateroom comfort.

The master stateroom is aft featuring an island queen berth w/storage, built in bureau and drawers on both port and starboard with a dressing table and access to the aft deck area via a folding ladder. The private head is located on the port side with a separate shower located across to starboard. The entertainment center along with hanging locker is located center line on the forward bulkhead.

Going up four steps, the main salon features an L-shaped settee seating area to starboard with a drop leaf hi/lo table. The entertainment center and side deck access is located across to port. Forward to starboard just aft of the lower helm station is a very functional wet bar with storage and icemaker.

The spacious and user friendly U shaped galley is located forward to port. Port and starboard deck access doors are located close to the lower helm station. Going forward and

down three steps there is a guest stateroom located on the port side, featuring twin berths, hanging locker and drawer storage. Across to starboard is a large head with combo washer/dryer and separate stall shower. The forward VIP stateroom features an oversized V- berth with hanging locker and drawer storage. Ensuite and day access to head is also provided.

Salon

- Arm chairs, two, teak, upholstered with Ultraleather
- Bar cabinet, teak with sink, U-line icemaker and bottle storage
- L-settee with corner table, upholstered in Ultraleather
- (4) Settee custom cushions equipped with hydraulic lifts for storage
