SOMBRERO REEF SNORKEL

One of the largest, most magnificent coral reefs in the Middle Keys, home to some of the best spur and groove reef formations in all the Keys. The amount of coral is breath-taking. As soon as you descend, gorgonians, brain, finger and lettuce corals can be seen. Schools of colorful tropical, southern stingrays and nurse sharks make their home on this reef. Large barracuda hang out by the lighthouse structure. Bring a towel, remember to wear sunscreen! Limited space. Ride to reef 30mins—in water snorkeling 1-1-1/2 hours—back by 4:30pm.

When: Friday, April 27th —1:30-4:00pm
 Meet on dock at 1:15—back by 4:30pm
