Foxy Lady

This Bertram 505 has been operated by an experienced yachtsman and his wife who primarily used her for cruising. They have now moved up to a motor yacht making this well respected convertible available for a new owner. This vessel has been well cared for and has received many new updates including two new generators. She is powered by the preferred 820hp MAN engines and offers the galley up with three stateroom layout. "Foxy Lady" is a wonderful opportunity for someone to own a proven and well built offshore machine known by many as one of the best production fishing yachts ever produced. Contact us to see this great boat today.
