

Grand Banks 36 Europa – Swift Kick

Year: 1992
Make: Grand Banks
Model: 36 Europa

Price: USD 175,000
Location: Snead Island, FL,
USA
Engine Make: Sabre Super
Lehman 135hp
Hull Material: Fiberglass

Swift Kick

Swift Kick is a very nicely maintained 36' Grand Banks Europa. Her first owner actively cruised the southeast US and her current owners (who have had her for the last twelve years) have continued with that pursuit. The owners have now decided to slow down and limit themselves to day tripping in a smaller vessel. Full teak, air-conditioned interior with large opening windows on the deck house level.

Fresh bottom job and varnish April 2012

Measurements

Cruising Speed:	8 kn	Displacement:	27000 lb
Max Speed:	10 kn		
LOA:	36 ft 10 in	Fuel Tanks Capacity:	410 gal

Beam:	12 ft 8 in		
Min. Draft:	4 ft	Holding Tank Capacity:	40 gal
		Number of Cabins:	2
		Number of Heads:	1

Propulsion

Number of Engines:	1	Engine Hours:	4000
Engine Make:	Sabre Super Lehman 135hp	Total Power:	135 hp

Accommodations

Swift Kick is a two stateroom GB 36 Europa with sleeping accommodations forward and a large salon/galley/helm/dining area amidships which extends aft to the covered cockpit. On the upper level is a large flybridge, the upper helm seats four to six on standard Grand Banks seating and incorporates the Bimini top, folding mast and boom, and large Igloo cooler. Four patio chairs can be used on the upper deck or in the cockpit.

On entering the salon from the cockpit, one immediately notices the beautiful Grand Banks teak joinery and furnishings. An L-shaped settee and yacht table with folding leave is to port and two Grand Banks chairs are to starboard. The L-shaped galley with extensive storage is forward to port and the bar is opposite to starboard. The lower helm and door to the starboard covered deck is forward to starboard.

Down three steps to the forward accommodations, the forward stateroom contains a large V-berth with filler, two hanging lockers and good drawer storage. The head with separate shower is to the starboard and the second stateroom with single berth, hanging locker and cold-plate freezer is to port. A unique professional modification permits easy conversion of the berth to a very large double berth.

There are covered side decks and the aft deck and high bulwarks and handrails all the way to pulpit. Decks are fiberglass with non-skid, in very good condition.

Galley

- Holding plate refrigerator
- Princess 3 burner propane stove and oven
- Teak cabinetry
- (2) Teak cocktail tables
- Electric solenoid for propane
- Holding plate freezer
- Stainless sink
- Exhaust fan
- (2) Propane tanks
