Description

2001 / 2008 35' Contender Express! She has always been kept on a lift or on her trailer. Always kept turnkey by a very meticulous owner. This is the nicest and best equipped 2001 35 Contender on the market, period. Re-powered in 2008 with new Yamaha 350 4 strokes (only 199 hours on them today), Westerbeke 5KW Gen Set (only 20 hours on it!) and new electronics. The owners are looking to upgrade to a larger vessel. This is your opportunity to own an excellent condition, no work needed, serious fishing - cruising boat! The timing is right and she is being aggressively marketed and will sell fast, bring your offers today!

Fishing:

- Transom mounted livewell
- Retractable "Top Gun" by Rupp Marine outriggers
- Rocket launchers
- Rigging station w/sink and ample tackle storage
- Large in deck fish boxes
- Rod holders

Mechanical / Electrical

Westerbeke 5.0 BCG Low-Profile Generator:

Due to its unique design, the 5.0 BCG gasoline generator has the smallest envelope available with slow speed operation. The 5.0 BCG operates at a quiet 1800 RPM. So quiet, it does not require a sound enclosure. Operating with 3-cylinders and a balance shaft that virtually eliminates vibration, the 5.0 BCG is an extremely smooth running generator. Runs at 28% of it's maximum engine speed, so the owner can expect more durability and reliability. To minimize engine maintenance, the 5.0 BCG is fresh water cooled and equipped with a simple control system. Easy access to all servicing points (single side servicing) allows easy routine maintenance.

- Remote start/stop panel
- New in 2008 - Less than 20 hours!

Mechanical/Electrical:

- Air conditioned cabin
- Shore power with external generator feed
- Batteries replaced in 2010

- Fortress anchor
- Trim tabs & Lewmar windlass

Electronics

- Furuno FCV-585 dual frequency color LED sounder
- Garmin Gladiator TR-1 autopilot w/wireless remote
- Furuno radar
- Depth finder
- Pioneer stereo w/ Bose Speakers
- Northstar 952X GPS
- Guest Charge Pro #2631 battery charger

Engines

The Yamaha 350 is designed for the heaviest off shore outboard-powered boats with 45% more thrust than the 250HP class outboards!

- (2) Efficient Yamaha 350 4-stroke engines - repowered in 2008
- 199 hours
- Yamaha throttle control, trim, fuel speed & engine displays
