### Tru Gritz

*Tru Gritz* is simply one of the most Pristine 40' Mainship Trawlers on the market today. Powered by a 380HP Cummins diesel, and with bow & stern thrusters and a wireless yacht controller that enables docking the boat and handling the lines at the same time! She is beautiful, strong, roomy and super economical! Perfect for any cruising couple or even a family of four to cruise comfortably. The large flybridge can seat 8 people easily and the full enclosure will keep you dry even in nasty weather conditions.

*Tru Gritz* has all the right options and is ready for a new home. If you are looking for a trawler in this size range you need to see her at our tropical park-like facility on Florida's west coast.
