

Great Harbour N-47 – Shalala

Year: 2009
Make: Great Harbour
Model: N-47

Price: \$ 599,000
Location: FL, United States
Engine Make: Yanmar
Engine Model: 4JH4-TE
Hull Material: Fiberglass

Shalala

“Shalala” is a 2 Stateroom, 2 head boat that is very well taken care of. The exterior is clean and the hull was painted with yellow Alexseal in the summer of 2012 at Hinckley Yachts. The twin Yanmar engines has had the 1000 hour service. This is a perfect boat for the couple with friends or the small family of owner operators.

Walk Through

Stepping into the well-lit Salon with an L shaped settee with ample seating for all, even those who are curious to see what the captain is up to. This brand of boat has dry bilges so there are no odd smells. The Galley is very well laid out with convection oven, full size refrigerator and freezer, trash compactor and dish washer. There is an Orb surround sound system in the Salon, Galley and Master Stateroom. On port side is a large pantry and dining table. Aft of the dining table is a water tight door to enter the massive engine room. On the way forward to the staterooms are full size washer and drier, the first head is on starboard side and the guest stateroom on port. Forward to the Master stateroom, immediately on starboard side is a vanity. On port and starboard side of the master bed are large amounts of storage and its own private head. The vessel has a very open feel, with a lot of natural lighting throughout the boat. There are LED lights, teak and holly floors, chrome push buttons, stainless steel faucets, and American Cherry walls all throughout the boat. There are no shortages of storage or births in this vessel, you will find it easy to move around and entertain even with lots of guests aboard.

Salon

You will instantly notice the beautiful teak and holly Salon floor as you pass through the Diamond Sea Glaze water tight bulk head door. (Diamond Sea Glaze water tight bulk head door also on starboard side of helm) This vessel is very versatile; the ultra-leather port side L shaped settee can be converted into a queen berth while the seating on the starboard side can be converted into a bunk with ease. Both sets of seating in the salon can be used for storage underneath them. The teak table in front of the L shaped seating can be extended on both sides or left as a smaller table. In the deck of the salon is an extremely large basement with tons of storage. Forward is a 27 inch fold down Sony TV that is complemented with an impressive Orb surround sound system. The large opening windows are covered with inch and half teak blinds accented with 4 chrome reading lights.

- Teak and holly floor
- Diamond Sea Glaze water tight bulk head door
- Ultra-leather port side L shaped settee
- Ultra-leather starboard side seating
- Extremely large basement
- 27 inch Sony TV
- Orb surround sound system
- Large opening windows
- Teak blinds
- 4 chrome reading lights
- LED lights

Galley

As you walk down the illuminated steps into the large galley of this Great Harbour you will instantly notice a large teak dining table on port side that allows seating for 6 adults with storage underneath the seating. There is a pair of Orb Speakers above the dining table. Aft of the seating is a large pantry cabinet that is over 6 feet tall and 5 feet deep to store enough food for an extended trip. On aft starboard side is a full size Kenmore Electric Side By Side AFB refrigerator and freezer. Forward is a U shaped countertop made of Affinity Bedrock, underneath are other top appliances such as a Kenmore Electric Dishwasher, Kenyon Stove Range, Broan Trash Compactor and a large Kenmore Electric Convection Oven. The current owners have even cooked their thanksgiving turkey in it. The flush fit and finish of the Dual Basin Sink to the Affinity Bedrock countertop is beautiful and is complemented with Moen Faucets. The teak drawers have chrome push buttons and pull out all the way. The large opening chrome port holes are a nice touch, with Bomar shades that can be utilized as bug screens, left open to allow natural light, or closed to keep out sunshine in the Galley. In the companion way from the Galley to the Staterooms is where you can find a full size Summit washer and dryer.

- Illuminated steps
- Large teak dining table

- Orb Speakers
- Full size Kenmore Electric Side By Side AFB refrigerator and freezer
- Affinity Bedrock countertop
- Kenmore Electric Dishwasher
- Kenyon Stove Range
- Broan Trash Compactor
- Kenmore Electric Convection Oven
- Dual Basin Sink
- Moen Faucets
- Opening chrome port holes
- Bomar Hatch with blackout shade and bug screen
- Summit full size washer and dryer
- Teak and holly floor
- LED lights

Port Guest Stateroom

Port Guest can be customized to just about whatever the owner is looking for. The forward single berth can be converted into a queen and the aft countertop can be converted into a single berth allowing 3 to sleep comfortably. There are hanging lockers, 6 pull out drawers, outlets, 2 port holes, LED lights and a reading light. This is a very versatile Guest Stateroom with flexibility for those extra guests.

- Forward single berth (Can be converted into a queen)
- Desk (Can be converted into a single berth)
- 2 port holes
- LED lights
- Reading light

Starboard Guest Head

A colorful Tommy Bahama shower curtain accents a large shower that can be plugged to make a bath tub. There is a nice view and natural light in the head with the large opening port hole. There is a VacuFlush head with a Tank Watch 4 gauge on the outboard side of the cabinet. The Affinity countertop is present in the heads as well, with flip up capabilities to greatly increase the countertop space. This head also has a water tight door with a mirror that has storage behind it and more storage in the cabinet.

- Tommy Bahama shower curtain
- Shower that doubles as a bath tub

- Opening port hole
- VacuFlush head
- Affinity countertops
- Flip up countertop
- Water tight door

Master Stateroom

Entering the Master Stateroom on the starboard side is a vanity made of Affinity Countertops with ample amounts of storage in the countertop and the mirror. Also located forward of the vanity on the same countertop is a flush sink with more storage underneath. Located on port side of the master is a large desk and above again are those high end Orb speakers. There are large amounts of storage forward under the queen size bed (Bed upgraded to memory foam) and on both sides. There are 2 large hanging lockers and 3 drawers on both port and starboard side. Also forward on port and starboard side is wing storage that is very deep. To complete the Master Stateroom are 2 chrome reading lights, outlets, 2 port holes and Bomar deck hatch that can be slid to a shade, blackout all light or leave open to allow natural light to pour in.

- Affinity countertop
- Vanity
- Flush mounted sink
- Bed upgraded to memory foam
- 2 large hanging lockers
- 3 drawers on both port and starboard side
- 2 chrome reading lights
- 2 port holes
- Bomar deck hatch

Master Head

The private Master Head has a Tommy Bahama shower curtain and a large shower that can be plugged to make a bath tub. There is a nice view and natural light in the head with the large opening port hole. There is also a VacuFlush head with 2 well placed towel racks.

- Tommy Bahama shower curtain
- Large Shower and tub
- Opening port hole
- VacuFlush head
- 2 towel racks

Flybridge

This Great Harbour has a very open Flybridge with storage under the seating on port and starboard side for up to 9 adults. The helm on the Flybridge has a very similar set up as the lower helm. Some of the many extras include Wirieap for extended wifi, cup holders, and 4 Poly-planer weather-proof speakers.

- Spreader lights
- LED Lights
- Fully folding radar tower
- Wheat colored Bimini top
- 1000 LBS davit
- White ultra-leather cushions
- VHF icom radio
- KVH M3 dx
- Argonaut tflex G6
- Yanmar engine gauges
- 4 Poly-planer weather-proof speakers

Helm

The helm has seating on port and starboard side. The port side deep cabinet contains all of electronics for the entertainment system. The countertop has a tall fiddle forward and makes a great desk with the DYNEX flat screen for the FLIR system. There is storage on port side of the helm under the seating.

- 3M 17 inch touch screens, chart plotter, Weather Worx, Dual frequency AIS at helm
- Maretron dsm250, depth finder, heading, plugins for engine
- ZF Micro commander electronic controls
- Simrad AP28 Autopilot
- Icom ICM604 VHF Radio
- Horn
- Boat Deck Floodlights
- Jabsco Searchlight
- 6 inch compass
- Helm seat and navigator bench
- Victron energy system
- Flir system full pan and tilt

- Max Power bow thruster (Separate battery)
- Yanmar engine gauges
- Hawkeye depth gauge

Electrical

- Mas Power 13 KW Generator (718 hours) with Racor (Gen has its own battery)
- Batteries: 12 6-volt wet cell
- Shorepower 50 amp (1)
- 3 AC units (MSR AC BRAND NEW) 2 Pompanette, 1 Cruise Air
- Orb Speakers
- Horizon Watermaker HRO System
- 4 engine room fans
- Arid dry bilge system in Lazarette
- 20 gallons hot water heater
- Bellows pumps, Vacu Flush heads
- (2) Victron Energy Battery pure sine charger-inverter: 3,000 watt
- Phone-TV inlet, antenna and (2) outlets
- LED Lighting: chrome or S/S reading and dome lights, navigation/anchor lights, full complement of fixtures.

Engine Details

- Main engines: twin 75hp Yanmar diesels; individual fuel pickups and twin Racor filters for each
- Propellers: 3-blade, bronze
- Steering: hydraulic
- Dripless Shaft logs (Brand new shaft and coupling)
- Bronze Seacocks in Sea Chest
- Balmar 120 amp alternator
- Jabsco fuel transfer pump
- CAT Fuel/Oil Pkg: Oil change system, fuel polisher

Deck

Located on the aft deck are hot and cold water showers with fresh water wash down. Nice sized chrome cleats and handrails. The forward deck has ample space for a large party and the plug in for the 50 amp shore power cord. Towards the bow is a forward wash down, twin anchor (Rocna and Danforth anchors). The windless can be controlled on the deck and at the helm.

Tender

11 foot Flexboat tender with a 30 hp Honda outboard with 90 Hours.
